

SUPPLEMENT TO
THE AMERICAN JOURNAL
OF
PHARMACEUTICAL EDUCATION

Index to Volume XVI

INDEX TO AUTHORS

INDEX TO SUBJECTS

January, April, July and October

1952

Index to Authors

- Ballard, Charles W., Hugo H. Schaefer, Remington Medal Presentation, 347
- Beals, Ernest L., Undergraduate Chemical Training of Pharmacist Entering Pharmaceutical Industry, 419
- Berman, Alex, C. F. Refined, Challenge to Historian of Pharmacy, 409
- Brecht, Edward A., Benefits Attainable from Quantitative Evaluation of Student Preparations, 460
report of Committee on Personnel Problems, 68
- Briggs, W. Paul, "Education or Catastrophe", 549
- Brodie, Donald C., reports of Committee on Audio-Visual Education (1951), 106, (1952), 582
- Burt, Joseph B., report of Executive Committee, 566
- Cataline, Elmon L., report of Committee on Predictive and Achievement Tests, 72
- Chavkin, Leonard T. and Kanig, Joseph L., Need for Education Training for Teachers in Colleges of Pharmacy, 369
- Christensen, Bernard V., reports of delegate to American Council on Education (1951), 140, (1952), 683
- Claus, Edward P., Plant Science Seminar, annual meeting, 174; to meet in Philadelphia, 344
- Clift, Virgil A. and Darlington, Roy C., Survey of Methods and Procedures for Teaching Pharmacy, 189
- Coghill, Marjorie M., Measuring Stick for Professional Panhellenic Association Membership, 350
- Conley, Bernard E., Pesticides—Their Place in Pharmacy Curriculum, 41
- Cooper, Chauncey I., Conference of Teachers of Pharmacy Administration, 433
- Costello, Patrick H., reports of American Conference on Pharmaceutical Education (1951), 143, (1952), 696
- Crossen, George E. et al, Requirement of Reasonable Accuracies in Prescription Compounding Laboratory, 436
- Edwards, Leroy D., Minimum Prerequisites for Undergraduate Pharmacology Course, 235
- Einbeck, Arthur H., reports: Joint Committee on Status of Pharmacists in Government Service (1951), 94, (1952), 606; A.A. C.P. Committee on Status of Pharmacists in Government Service, 613
- Fischelis, Robert P., Pharmacy as Member of Healing Arts, 428
- Foote, Perry A., report of Committee on Professional Relations, 88
- Foss, Noel E., reports: Conference of Organization Member Representatives of American Council on Education, 686; delegate to American Council on Education, 137
- Gisvold, Ole, report of Committee on Pharmaceutical Research, 602
- Goodness, Joseph H., Cost and Sales Percentage Analysis Chart, 262
- Goyan, Frank M., Physical Chemistry for Pharmacy Students, 31

- Griffith, Ivor, Contribution of A.Ph.A. to A.A.C.P., 557
 memorials,
 Stroup, Freeman P., 723
 Sturmer, Julius W., 722
- Gustafson, Carroll B., Opportunity for Learning in Undergraduate Chemistry Laboratory Course, 465
- Guth, Earl P., reports of Committee on Graduate Study (1951), 89, (1952), 586
- Hager, George P., Applicant for Graduate Study in Pharmaceutical Chemistry, 240
- Hewitt, Harold G., report of Committee on Conference of Teachers, 624
- Higuchi, T., Undergraduate Curriculum from Viewpoint of Graduate Instruction in Pharmacy, 239
- Hiner, L. David, Pharmacy and State Board Examinations, 448
- Hoch, J. Hampton, Pharmacognosy Laboratory Work. Some Important Aspects, 450
- Hook, George B. et al, Teacher Training Program in Pharmacy Administration, 456
- Hunkins, Louise, Pharmacy as Profession for Women, 349
- Husa, William J., report of chairman of Committee on Pharmaceutical Research, 87
- James, Arthur E., reports of Committee on Educational and Membership Standards (1951), 104, (1952), 597
- Jeffries, S. B., Use of Audio-Visual Aids in Pharmaceutical Training, 271
- Kanig, Joseph L. and Chavkin, Leonard T., Need for Education Training for Teachers in Colleges of Pharmacy, 369
- Lee, Charles O., reports of Committee on Libraries (1951), 79, (1952), 632
- Lemon, A. B., memorial, Wallace W. Charters, 492
- Lyman, Rufus A., abstract, Minutes of American Foundation on Pharmaceutical Education, 179
 abstract, Proceedings Pharmacy Group of Meeting of Medical Library Association, 182
 biographical sketch, Troy C. Daniels, 529
 editor's page, 149, 302, 473, 704
 notice to authors of papers, 337
 reports: chairman, Committee on Problems and Plans, 592; editor, *Journal* (1951), 127, (1952), 674
- Martin, Alfred N. and Sprowls, Joseph B., Course in Graduate Orientation and Research Indoctrination, 247
- Morrison, Robert W., memorial, Emory T. Motley, 721
- Muldoon, Hugh C., report of Committee on Emergency Problems (1951), 73
- McCashland, B. W., Vertebrate Physiology—Importance as Prerequisite in Proper Understanding of Pharmacology, 45
- McEvilla, Joseph D. et al, Teacher Training Program in Pharmacy Administration, 456
- Neuroth, M. L., Effective Laboratory Teaching in Pharmacy, 441
- Newton, Howard C., reports of American Foundation for Pharmaceutical Education (1951), 133, (1952), 691
- Noble, Alice, memorial, Ira W. Rose, 336
- Olsen, Paul C., Business Publications of Value in Teaching Pharmacy Administration, 256

- Orr, Jack E. and Swinyard, Ewart A., Value and Importance of Prescription Surveys to Colleges of Pharmacy, 251
- Osborne, George E. and Parkin, Charles E., Pharmaceutical Education in Utah—I, 394
- Parkin, Charles E. and Osborne, George E., Pharmaceutical Education in Utah—I, 394
- Parks, Lloyd M., reports of Committee on Constitution and By-Laws (1951), 70, (1952), interim, 289
- Pratt, Robertson, Undergraduate Preparation for Graduate Studies in Pharmacognosy, 229
- Reed, Howard L., What Emphasis Should Teachers of Pharmacognosy and Pharmacology Place upon Prescription Specialties and Proprieties? 60
- Reese, J. Allen, president's page, 147, 300; report, 533
- Roeder, Shirley F. et al, Requirement of Reasonable Accuracies in Prescription Compounding Laboratory, 436
- Rogers, Charles H., reports of A.A.C.P. Committee on Status of Pharmacists in Government Service (1951), 91, (1952), 613
- Rowe, Thomas D., reports: Committee on Relation of Boards and Colleges, 618; Teachers' Seminar on Pharmaceutical Chemistry, 694
- Schaefer, Hugo H., 1952 Remington Medal Presentation Address, 198
- reports of delegates to N.D.T.C. (1951), 130, (1952), 688
- Sciuchetti, Leo A. et al, Requirement of Reasonable Accuracies in Prescription Compounding Laboratory, 436
- Sonnedecker, Glenn, abstract of minutes of meeting of American Institute of History of Pharmacy, 497
- and Urdang, George, Survey of Status of History of Pharmacy in American Pharmaceutical Education, 11
- Sprowls, Joseph B., report of Committee on Teachers' Conferences, 78
- and Martin, Alfred N., Course in Graduate Orientation and Research Indoctrination, 247
- Stempel, Edward, Use of Photostatic Positive Prescriptions in Teaching Senior Dispensing Pharmacy, 470
- Swinyard, Ewart A., Graduate Instruction in Pharmacology—Qualifications of Staff and Students, 244
- Undergraduate Course in Pharmacology Laboratory, 375
- and Orr, Jack E., Value and Importance of Prescription Surveys to Colleges of Pharmacy, 251
- Tainter, M. L., Noble Profession, 5
- Tice, Linwood F., reports: Committee on Activities for Alumni (1951), 82, (1952), 593; Committee on Civil Defense Education, 628; representatives to A.A.A.S., 679
- Uhl, Arthur H., memorial, Nellie A. Wakeman, 491
- report of Committee on Functions of A.A.C.P., 74
- Urdang George, Pharmaceutico-Historical Movement, 206
- reports: Committee on World Congress for Pharmaceutical Education, 76; Historian (1951), 123, (1952), 675

- and Sonnedecker, Glenn, Survey of Status of History of Pharmacy in American Pharmaceutical Education, 11
- Walsh, Robert A., Human Physiology as Prerequisite in Proper Understanding of Pharmacology, 50
- Watters, Kenneth L., memorial, John F. Burke, 336
- Webster, George L., reports: representative to National Conference on Higher Education, 681; Sub-Committee on Office of Permanent Secretary, 285
- Sequential Order of Courses in Physical Science and Mathematics in Pharmaceutical Curriculum, 22
- Wilson, Stephen, report of Committee on Curriculum, 576
- et al, Teacher-Training Program in Pharmacy Administration, 456
- Worrell, Lee, Tribute to Ottmar Eberbach, 493
- Yonkman, Frederick F., Vertebrate Physiology—Importance to Students in Pharmacy, 54
- Youngken, Heber W., Sr., Pharmacognosy Laboratory Work—Some of Its Most Important Aspects, 454
- Youngken, Heber W., Jr., address of chairman of Teachers Conference on Graduate Instruction, 224
- Course of Action for Plant Science Seminar 215
- What Emphasis Should Teachers of Pharmacognosy and Pharmacology Place on Prescription Specialties and Proprieties? 60
- Zopf, Louis C., minutes of Executive Committee meeting, 293
- reports: Committee on Resolutions, 670; secretary-treasurer, 563

Index to Subjects

- Academy of History of Pharmacy, founding, 499
- Address, "Education or Catastrophe", W. Paul Briggs, 549
- installation, Troy C. Daniels, 537
- Remington medal presentation, Hugo H. Schaefer, 198
- American Association for Advancement of Science, announcement, 527; report of representative, 679; representative, 524; resume of papers given at sub-section on pharmacy, 361, 514
- American Association of Colleges of Pharmacy, delegates to annual meeting, covers October Journal
- officers, past, 519; present, 521; teachers' conference, 524
- places of meetings, 518
- program, 338
- American Council on Education, delegates, 523; report of conference of organization member representatives, 686; reports of delegates (1951), 137, 140, (1952), 683

- American Council on Pharmaceutical Education, board of directors, 696; executive officers, 697; financial statement, 146; reports (1951), 143, (1952), 696; representatives, 523
- American Foundation for Pharmaceutical Education, abstract of minutes, 179, 352; award of graduate and teaching fellowships, 427; directors, 524; fellowships renewed, 170; membership, 144; officers, 144; press release, 503; reports (1951), 133, (1952), 691
- American Institute of History of Pharmacy, abstract of minutes, Glenn Sonnedecker, 497
- American Pharmaceutical Association, Contributions to A.A.C.P., Ivor Griffith, 557; delegates from A.A.C.P., 523; officers, 153
- Appointments, special, 523
- Audio-visual aids in pharmaceutical teaching, use of, S. B. Jeffries, 271
- Awards, Remington medal and J. Leon Lascoff, 472
- Women's Auxiliary, A.Ph.A., 432
- Births, 176, 360, 464
- Boards and colleges, resolutions from district meetings, 670
- Books, list for libraries, 634; new, 353, 515, 724
- By-laws of Association, 731; proposed amendments, 71, 575
- Canadian colleges, locations, 601
- Chemistry, opportunity for learning in under-graduate laboratory course, Carroll B. Gustafson, 465
- physical, for pharmacy students, Frank M. Goyan, 31
- Collaborators, editorial, 3, 187, 367, 525
- Colleges of pharmacy offering more than four years of undergraduate instruction, 574
- Committee, activities for alumni, membership, 522; reports (1951), 82, (1952), 593
- audio-visual education, membership, 522; reports (1951), 106, (1952), 582
- civil defense education, membership, 523; report, 628
- committees, membership, 523
- conference of teachers, membership, 523; reports (1951), 78, (1952), 624
- constitution and by-laws, membership, 523; reports (1951), 70, (interim) 289
- curriculum, membership, 523; report, 576
- educational and membership standards, membership, 522; reports (1951), 104, (1952), 597
- emergency problems, membership, 523; report (1951), 73
- executive, see Executive functions of A.A.C.P., discharged (1952), 76; membership, 475 (1951 *Journal*); report (1952), 74
- graduate study, membership, 523; reports (1951), 89, (1952), 586
- Libraries, membership, 522; reports (1951) 79, (1952), 632
- office of permanent (full-time) secretary, interim report of subcommittee, 285; membership, 475 (1951 *Journal*)
- personnel problems, membership, 523; reports (1951), 68, (1952), 625
- pharmaceutical research, membership, 523; reports (1951 chairman), 87, (1952), 602
- predictive and achievement tests, membership, 523; report (1951), 72

- problems and plans, membership, 522; report of chairman, 592
- professional relations, discontinued in 1951, 587 (1951 *Journal*); report (1951), 85
- relations of boards and colleges, membership, 522; report, 618
- resolutions, membership, 670; report, 670
- status of pharmacists in government service (A.A.C.P.), membership, 522; reports (1951), 91, (1952), 613; (joint committee) membership, 94; reports (1951), 94, (1952), 606
- World Congress, dissolved 587 (1951 *Journal*) and 78 (1952 *Journal*); report, 76
- Committees, special, 523; standing, 522
- Conference (national) on higher education, report of representative, 681
- Conference of teachers, address of chairman of section on pharmacy administration, Chauncey I. Cooper, 433; by-laws, 510; officers of sections, 522
- Constitution of Association 729; proposed amendments, 71, 575
- Cost and sales percentage analysis chart, Joseph H. Goodness, 262
- Cousins, Walter S., establishment of memorial library fund, 307
- Daniels, Troy C., biographical sketch, 529; portrait, 528
- Dispensing pharmacy, use of photostatic positive prescriptions in teaching, Edward Stempel, 470
- Editor's mail, gleanings from, 309
- Editor's page, 149, 302, 473, 704
- Editor's report (1951), 127, (1952), 674
- Education, industry comes to aid of, 345
- "Education, or Catastrophe", W. Paul Briggs, 549
- Enrollment data, 567
- Erratum, correction of name, 284
- Executive Committee, 2, 186, 366, 521; minutes of meetings, 293; report, 566
- Fellowships, cover each *Journal*
- Films available from pharmaceutical manufacturers, 109
- Fulbright awards, announcement, 401
- Goldwag, Joseph S., erratum, 284
- Graduate instruction, Heber W. Youngken, Jr., 224; orientation and research indoctrination, Alfred N. Martin and Joseph B. Sprowls, 247
- Graduate studies in pharmacognosy, Robertson Pratt, 229
- Health Information Foundation, census by, 301; publication, 181, 359
- Historian's report (1951), 123, (1952), 675
- History of pharmacy in American pharmaceutical education, Glenn Sonnedecker and George Urdang, 11
- Insecticides, health hazard of electric vaporizing devices, 477
- Institute of Cellular Growth organized at University of Nebraska, 299
- Institutions holding membership in Association, covers each *Journal*
- Kappa Epsilon, brochure, "Women in Pharmacy", 305
- Letters to editor, 309
- Marriage, 246
- Medical Library Association, proceedings of pharmacy group, 182
- Member-colleges, covers of each *Journal*
- Memorial to, Burke, John F., 336; Charters, Wallace W., 492; Davis, Hugh L., 172; Goldwag,

- Joseph S., 171; Motley, Emory T., 721; Rose, Ira W., 336; Stroup, Freeman P., 723; Sturmer, Julius W., 722; Wakeman, Nellie A., 491
- National Drug Trade Conference, representatives, 523; reports (1951), 130, (1952), 688
- National Wholesale Druggists Association, 524
- News, 154, 317, 479, 707
- Officers, A.A.C.P., 2, 186, 366, 521; conference of teachers, 524
- Papers, notice to authors 337
- Pesticides, place in curriculum, Bernard E. Conley, 41
- Pharmaceutical chemistry, applicant for graduate study, George P. Hager, 240
program of teachers' seminar, 340
- Pharmaceutical education, in Utah, Charles E. Parkin and George E. Osborne, 394
status of history of, Glenn Sondecke and George Urdang, 11
- Pharmaceutical industry, chemical training for, Ernest L. Beals, 419
- Pharmaceutico-historical movement, George Urdang, 206
- Pharmacognosy, and state board examinations, L. David Hiner, 448
important aspects of laboratory work, J. Hampton Hoch, 450; Heber W. Youngken, Sr., 454
preparation for graduate studies, Robertson Pratt, 229
- Pharmacology, graduate instruction, qualifications of staff and students, Ewart A. Swinyard, 244
prerequisites for undergraduate course, Leroy D. Edwards, 235
undergraduate course — laboratory, Ewart A. Swinyard, 375
- Pharmacy, curriculum from viewpoint of graduate instruction, T. Higuchi, 239
effective laboratory teaching, M. L. Neuroth, 441
member of healing arts, Robert T. Fischelis, 428
methods and procedures for teaching, Roy C. Darlington and Virgil A. Clift, 189
noble profession, M. L. Tainter, 5
profession for women, Louise Hunkins, 349
- Pharmacy administration, conference of teachers, Chauncey I. Cooper, 433
publications of value in teaching, Paul C. Olsen, 256
teacher-training program, George B. Hook et al, 456
- Physical chemistry for pharmacy students, Frank M. Goyan, 31
- Physical science and mathematics, sequential order, George L. Webster, 22
- Physiology, human, importance in understanding pharmacology, Robert A. Walsh, 50
vertebrate, importance to students of pharmacy, Fredrick F. Yonkman, 54; importance in understanding pharmacology, B. W. McCashland, 45
- Plant Science Seminar, course of action, Heber W. Youngken, Jr., 215; meeting (1951), Edward P. Claus, 174
- Prayer, 173
- Prescription compounding laboratory, requirement of reasonable accuracies, Leo A. Sciuchetti et al, 436
- Prescription specialties and proprietaries, what emphasis by teachers of pharmacology and pharmacognosy? Heber W. Youngken, Jr., 62

- Prescription surveys, value and importance to colleges, Jack E. Orr and Ewart A. Swinyard, 251
- President's page, 147, 300
- President's report, 533
- Professional Panhellenic Association, measuring stick for membership, Marjorie M. Coghill, 350
- Rafinesque, C. S., Challenge to historian of pharmacy, Alex Berman, 409
- Recommendation adopted (or approved), expressing appreciation to committee on salary survey and to local committee, 672
- audio-visual education, activity urged for committee, 584, 670
- civil defense education, committee to continue activity and colleges cooperate, 632, 671; syllabus be developed, 632, 671
- clinic pharmacies, concern about physician owned, 672; A.M.A. be urged to oppose, 672; resolution be transmitted to Board of Trustees, A.M.A., 672
- committee on curriculum, membership increased to seven, 673
- delay of calls to service be asked for graduates until apprenticeship completed and licensure obtained, 617, 670
- foreign pharmacy school graduates have minimum one-year enrollment and proficiency in English for admission to U.S. colleges, 106, 598, 670
- hospital pharmacy curricula be studied by A.Ph.A. Division of Hospital Pharmacy, Committee on Minimum Standards Am. Society of Hospital Pharmacists and A.A.C.P., 673
- hospital pharmacy training without additional academic training not in best interest of hospital pharmacy or profession, 673
- seminars be scheduled, 536, 671
- Recommendation referred to Executive Committee, audio-visual education award be established, 584, 671
- minimum standard changes be put into by-laws, 672
- permanent secretary with central office favored, 620, 670
- standard college courses precede professional ones and be supplemented by academic courses, 672
- Recommendations from committee on conference of teachers of pharmacy, about methods of teaching and of evaluating measurements of students' progress referred back to the same conference, 78
- use of "pharmacy administration instead of "pharmaceutical economics", 79
- Recommendations which appeared in report of the 1951 committee on resolutions but the reports are printed in the 1952 *Journal* out indicated in the following manner:
- from committee on educational and membership standards; two years enrollment and proficiency in English, report (1952), 106; no action taken (1951), 582
- from committee on professional relations: committee be discontinued, report (1952), 89; adopted (1951), 587

- from committee on world congress: committee be dissolved, report (1952), 77; adopted (1951), 587
- from conference of teachers, "pharmacy administration" instead of "pharmaceutical economics", report (1952), 78; adopted (1951), 587
- Recommendations made by conference of teachers of pharmacy administration
 - proposing "work shop" type of program and consideration of development of syllabus, 435
- Remington medal presentation (citation), Charles W. Ballard, 347
- presentation address, Hugo H. Schaefer, 198
- Resolutions, adopted by American Council on Education, 139; by National Drug Trade Conference, 690
- Resolutions offered by committee on relation of boards of colleges, 619
- Rho Chi award, 284
- Rutgers Pharmaceutical Congress, 477
- Secretary-treasurer, report, Louis C. Zopf, 563
- Segregated graduate and professional education, poll of southern college teachers, 184
- Seminar on pharmaceutical chemistry, tentative program, 340
- Student preparations, quantitative evaluation, benefits attainable, Edward A. Brecht, 460
- Teachers, need for training, Joseph L. Kanig and Leonard T. Chavkin, 369
- Tribute, Ottmar Eberbach, Lee Worrell, 493
- University of Michigan College of Pharmacy, Seventy-fifth Anniversary, Thomas D. Rowe, 177
- Urdang, George, international medal award established, 308; principles of administration, 501
- retirement, 500
- Walter Reed Centenary, 359
